#### TEMPORARY SUSPENSION OF PROBUS CLUB ACTIVITIES

Dear friend

Hello to all in these troubled and uncertain times.

There is no need for me to elaborate here on the risks at the moment of contracting the Coronavirus infection, particularly for older members of the community, as news of it is being disseminated endlessly by all media avenues and by family and friends. Regretfully, because of those risks, I now have to inform you that your Management Committee has agreed that all scheduled Probus Club activities must now be suspended until further notice.

I, and the committee, are conscious of the importance of the social benefits members derive from our Probus membership, but are certain the above action has to be taken in view of the current circumstances. We all look forward to a return to normalcy, hopefully in the near future. In the meantime we urge you to take care and look after yourselves until it is safe for us to meet together again.

With my very best wishes ,

Tony Smythe,

President.
